Soon-to-be-single Geoffrey Edelsten snares Playboy model!

HE MAY be in the midst of divorcing gorgeous Gabi Grecko but that hasn't stopped Aussie horndog Geoffrey Edelsten from showing off his new main squeeze, the EVEN MORE GORGEOUS ex-*Playboy* pin-up **Ashley Kirk**!

The 73-year-old multimillionaire was on a business trip to the USA several weeks ago when he first met the Los Angeles-based glamma model and was BOWLED OVER.

Despite the 47-year age difference, Geoff's confident the lovebirds can make their relationship work, mainly 'cos Ash admires his BIG…BRAIN!

"We have a lot in common and there is sensational chemistry between us," he said. "She's…attracted to me, I believe, because I've a lot to offer. I have seven masters and two doctorates and can help mentor her career."

If her career shows as much promise as these wonderful pix from PlayboyPlus.com, then Ashley's gonna go a long way.

Despite his previous run of bad luck marrying much younger American blondes – see ex-missus Gabi and ex-ex-missus Brynne Edelsten – Geoff is certain this time it's TRUE LOVE.

We have no reason to doubt him. That said, we have an office pool running…

‘ROSIE JUMPS ALL OVER ME DURING SHOOTS’

HOLLY

THEY'RE not actual LESBIANS, but glamma models **Rosie Jones** and **Holly Peers** don't mind mucking around with each other during saucy photographic shoots, whether it's on satin sheets in a five-star hotel bedroom or on a sun-drenched Euro-beach, like in this pictorial.

Can you blame them?

'HOLLY'S GOT SUCH AMAZING BOOBS!'

ROSIE

"Sometimes, I just can't help myself," laughs Rosie. "Holly's got such AMAZING BOOBS that I couldn't wait to whip off her top! I even tried to pull down her pants to get a look at her BRILLIANT BUM!"

"Rosie's so WILD!" giggles Holly. "You always know she's going to be grabbing your boobs, pinching your bum and JUMPING ALL OVER YOU when you have a shoot together."

She continues, "It's so much fun, though. Rosie's got such an incredible body. I think we've become experts in taking off each other's bikinis."

The naughty shenanigans don't just stop at the water's edge. The gals get crazy with each other when they're having a big night out, which usually involves "lots of nudity and lots of food", according to Rosie.

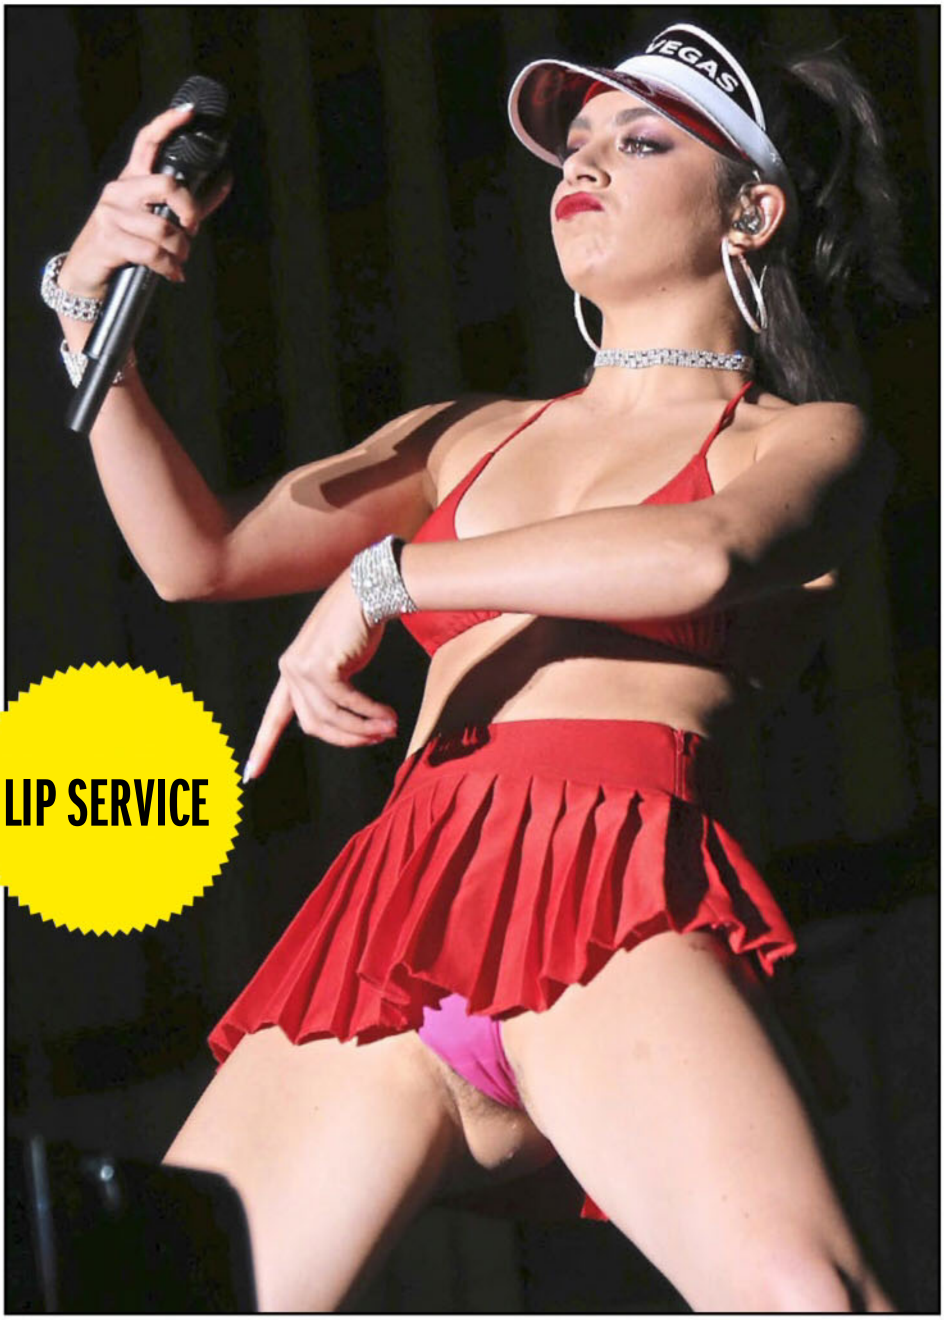
"We always go to the same Chinese restaurant," adds Holly, "and we really should be barred by now. I think they like booby girls in tiny dresses making a mess everywhere!"

After lots of eating and BOOZING – "Holly's the best drinker," reckons Rosie – the babes head home and collapse into bed...TOGETHER.

"We just pass out in our knickers and wake up in ONE SEXY HEAP," explains Rosie.

On a somewhat related note, Holly admits she's currently binge-watching TV's *Orange Is The New Black*: "It's about women in prison – I think it might be helpful for us!"

Watching all the hot lesbo action in the show might teach you a thing or two as well, ladies.



LIP SERVICE

CHARLIE B.O.X.

HUMANS have made countless screw-ups throughout history – such as putting radium in toothpaste (for that fresh, clean, radioactive feeling) – but it definitely WASN'T a mistake stationing a shutterbug in the first row of this **Charlie XCX** gig. The Pom popster, 24, was in Las Vegas when she gave us a gander at her PINK PANTIES and the pussy lips beneath. It's a sweet view that won't rot your teeth.

FOR more upskirt magic, angle your shoe mirrors towards our collection of classic pervs on pg12!

SKIRT'N'FLIRT

JOVO'S VOVOS!

WATCHED the trailer for *Resident Evil: The Final Chapter* (hitting Aussie cinemas January 26)? No? Geez, you call yourselves **Milla Jovovich** fans... Suppose you haven't seen the 40-year-old Ukrainian-American action heroine/megamodel's RACK-TABULOUS piccies in *Pop* magazine #35, either? No? Jeebus! We'll take pity on y'all this time and print a couple of samples here. But try to keep up in future, OK?

GOT WOOD (AND CO.)

BREASTWORLD

CURRENTLY on Foxtel's Showcase, *Westworld* updates the 1973 sci-fi fillum of that name into a stylish, kinky, instantly addictive series. The plot involves rich folks paying to holiday in a Wild West theme park populated by robots they can ROOT, SHOOT OR BOTH…until the robots start going haywire, that is. **Evan Rachel Wood** (above right) is a farm-gal 'bot, while **Jackie Moore** and **Angela Sarafyan** (above middle and left) play additional artificial lasses. Expect lots of skin from this'un!

Touch the page and I break your fingers

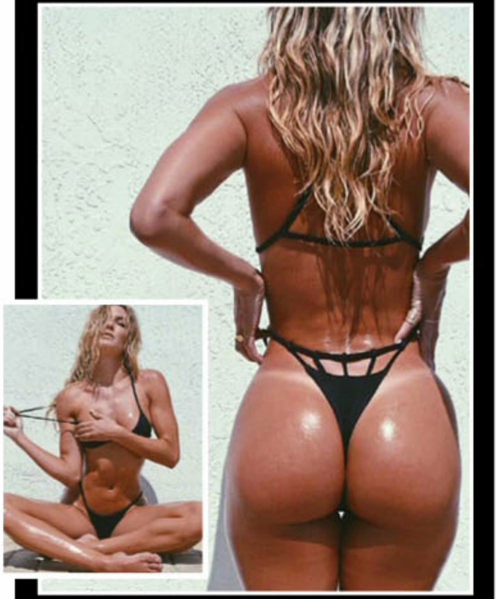
TALL TALE

SMOKIN' PORTRAIT

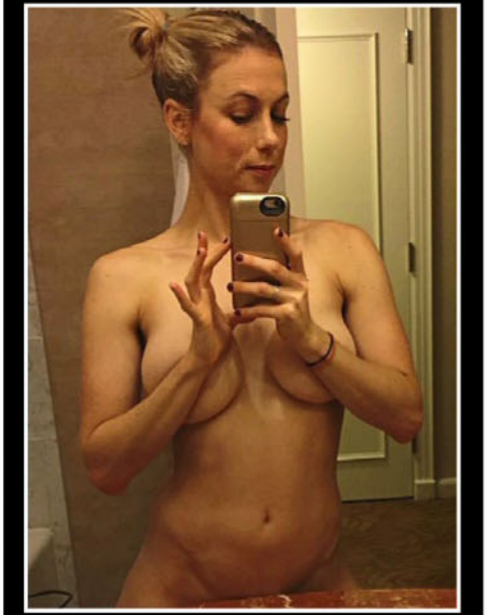
PROVOCATIVE US photographer Tyler Shields (*tylershields.com*) has really brought out the dangerous – and BOOBY – side of second-gen celeb **Tallulah Willis** in a new group of images from which this one is taken. For anyone who isn't aware, 22-year-old Tallulah is the youngest of the three daughters of Hollywood royalty Bruce Willis and Demi Moore, which makes for an ENTICING MIX of don't-fuck-with-me attitude and you-wish-you-could body.

SHARING THE LOVE

The freshest flesh on celebrity social media



US fitness model **Cassandre Davis**, once spied SNOGGING footballer Cristiano Ronaldo, likes to put bikinis through the "stretch test".



We're already smiling and Seppo comedienne **Iliza Shlesinger** hasn't delivered a single joke. She's WAY sexier than Rodney Rude.

READY TO BARE

OLE! OLE! OLE! ALE!

MEXICO'S Marika Vera is our kind of la-di-da fashion designer. First, she got her intro to the biz via a course at Melbourne's Swinburne Uni Of Technology. Second, she uses STACKED hotties like 23-year-old pin-up Alejandra Guilmant in her parades. And third, she doesn't believe in WASTING FABRIC on clothing that conceals a lady's front.

CARNAL CAR

CONSTANCE CRAVING

BEING regularly ranked among the world's TOP CATWALKERS hasn't stopped **Constance Jablonski** posing without her CATWALKER TOP for *Lui* mag. Shot by ace snapper David Bellemere, the 25-year-old Frenchie flaunts her sleek lines next to those of a Lamborghini in issue #31. If you could have the auto or the babe, which would you choose? Same here! Public transport ain't that bad.

FINE FUR

ACTS OF GRACE

THE new *Document* features actress Tilda Swinton on the cover, being blown by the wind. However, we're interested in what's INSIDE the rag – namely the Roe Ethridge pics of runway star **Grace Hartzel**, 20, puffing on a durry while showing us where she's furry. Gracie's a self-confessed anime addict. Maybe she'll accept our offer to come and chain-smoke WINNIE BLUES while rewatching *Robotech*.

UNCOVERED AGENT

VALKYRIE SCHWINGS

STRIKING blonde **Julie Engelbrecht**, who previously appeared as the head hexer in Vin Diesel's *The Last Witch Hunter*, has a MORE HEROIC role in upcoming WW2 thriller *Beyond Valkyrie: Dawn Of The Fourth Reich*. When you buy/rent the DVD, you'll discover the 32-year-old Parisienne plays a secretary who's really an UNDERCOVER AGENT, gathering intel on the Nazis. While occasionally getting her norks out.

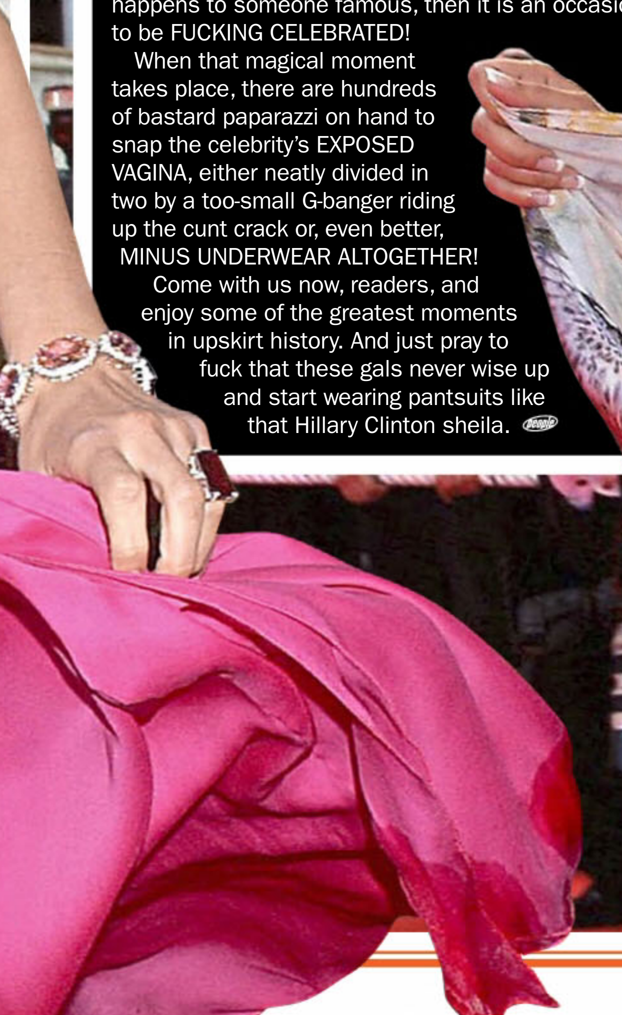
LOOKING UP★

Life's better when celebs bare their rude bits

A STRONG breeze, an awkward exit from a taxi, a badly fitted dress, a splash of alcohol…any one or more of these factors can lead to what we in the magazine industry call AN UPSKIRT FLASH. It can happen to any young lady, but when it happens to someone famous, then it is an occasion to be FUCKING CELEBRATED!

When that magical moment takes place, there are hundreds of bastard paparazzi on hand to snap the celebrity's EXPOSED VAGINA, either neatly divided in two by a too-small G-banger riding up the cunt crack or, even better, MINUS UNDERWEAR ALTOGETHER! Come with us now, readers, and enjoy some of the greatest moments in upskirt history. And just pray to fuck that these gals never wise up and start wearing pantsuits like that Hillary Clinton sheila.



Yasmine Lafitte

The French actrine gives us the jackpot. Or is that CRACKpot?

LOOKING UP

Kylie Minogue

A clear view of the Singing Budgie's wedgie? Now, THAT'S a hit!

Tara Reid

Mmmmmm... anyone want a slice of the US starlet's *American Pie*?

Britney Spears

She's a Vegas fixture now, but in '06 Brit was a panties-free wild child!

Lindsay Lohan

Linds gives her lunchbox a public airing... back when she was famous.

Lily Allen

Is the London gal singing? We can't tell, but her lips are moving.

Kirsten Dunst

The actress exits a taxi in 2011 while her pussy exits her undies.

RELIEVING TENSION

DANA VESPOLI is a dirty bitch…and we love her for it! The cum queen has turned her hand to writing and directing flix and her latest lusty effort is the self-explanatory ***Lesbian Massage***.

It's scene after scene of tense naked women climbing onto massage tables while other naked women knead and rub their BUTTOCKS AND BOSOMS till they start to relax, then are overcome with Sapphic passion.

After that it's all fingers, dildos, gaping cunnies grinding together and MUTUAL ORGASMS.

Thankfully, the likes of **Brandi Love** (right), **Kenna James** and **Dana Dearmond** handle this straightforward material – and each other – with professional ease.

God knows, *Lesbian Massage* is so filthy it took us weeks to watch it from start to finish… and our cocks STILL haven't recovered.

MEET THE MILF: REAGAN FOXX

BORN: December 31, 1975 in Phoenix, Arizona

STATS: 34DD-23-34

QUICK FACTS: Once a strict Christian, Reagan has well and truly strayed from the fucking flock. The 40-year-old hornbag only entered the biz in 2016, so she's technically fresh-faced… although that face is regularly smothered with creamy jism.

STARS IN: *Never Marry A MILF, Pushing For A New Prescription*

BEFORE FILMS YOU WERE A WEBCAM GAL, RIGHT? "I was a real estate agent with a sexy secret…I was into swinging. I enjoyed the flirting, being naked at parties, the open-minded friends… With webcamming, I knew I'd do the things I was doing as a swinger…and I wouldn't have to touch anyone and work when I wanted. That's how I got started in 2011."

AND NOW YOU'RE DOING FULL-ON FUCK FILMS. GOT ANY SEXUAL SPECIALTIES? "I can squirt! But it's not like I can put a candle out across the room. It's pretty much right there. I like to ride and I like to grind and I'm told I give great head."

FAVE TYPE OF COCK? "I like the thicker guys. When they're long and thin, it's easier for their cocks to go down my throat. I have a narrow mouth with my teeth, so it's harder for me to get a thicker dick in my mouth. But I do like it 'cos I like to see my pussy pulled apart."

GME
MONSTER LUBRICANTS

MUD IN YER EYE

OTHER than necking a carton of VB on the couch while watching Davey Warner smash the South Africans in the cricket, we can't think of anything MORE dinky-di than doing burnouts in a ute in the mud. Which is basically what the annual Deni Ute Muster is ALL about. Straya, mate!

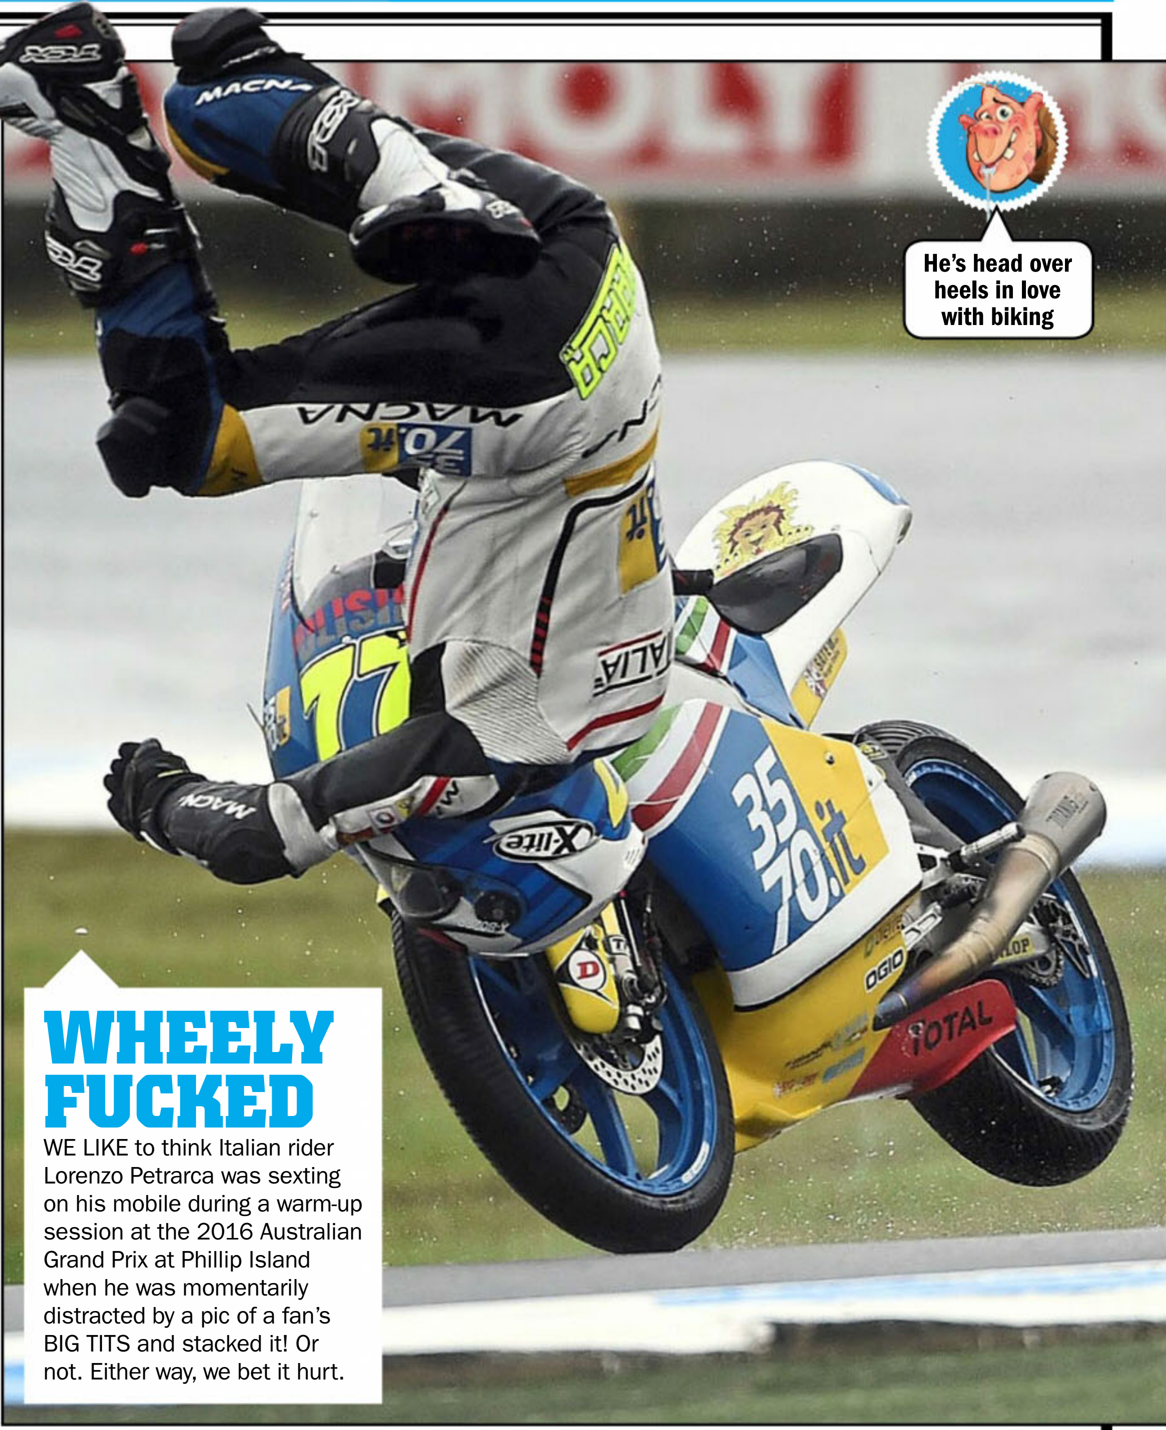
LOVE THY SELF

AN ESTONIAN woman has married HERSELF, proving that you don't need anyone else to make you happy. Crystal Ra Laksmi – who claims to be a "water therapist" – went to Estonia so her inner woman "Crystal" could get hitched to her inner man "Ra". We just hope she never gets divorced, because sorting out who gets what will be a NIGHTMARE.

LOB-ZILLA!

FISHERMEN on the coastline of Bermuda recently snagged themselves a MASSIVE CRAYFISH weighing more than six kilograms. They suspect the giant critter had been disturbed by Hurricane Nicole before it was snagged. Unbelievably, the guys later posted on Facebook that they "caught and released" the Godzilla-like lobster. They probably couldn't find a pot BIG enough to cook it in. *Guinness World Records* reckons the biggest lobster ever caught weighed 20kg!

This reminds me of that time I had explosive diarrhoea



He's head over heels in love with biking

WHEELY FUCKED

WE LIKE to think Italian rider Lorenzo Petrarca was sexting on his mobile during a warm-up session at the 2016 Australian Grand Prix at Phillip Island when he was momentarily distracted by a pic of a fan's BIG TITS and stacked it! Or not. Either way, we bet it hurt.

You should've seen the one that got away

FUCK-OFF FACTS

- McDonald's opened its first store Down Under in 1971 in the Sydney suburb of Yagoona. These days, there are more than 900 Maccas stores across Australia.
- Lobster and crayfish may cost a small fortune now, but back in the 18th century, the bottom-feeders weres so poorly regarded that one Kentucky pollie wrote, "Lobster shells about a house are looked upon as signs of poverty and degradation."

McFLYING

NOTHING'S more important to a man than his piping hot Maccas Whopper …which is why one motorist was recently clocked going more than 200kph by the cops! Apparently, it was a race against time getting his hamburger home before it went COLD. Any faster and the dude would have wound up back in the 1950s.

GRAPHIC SAPPHIC

The terms “lesbian” and “Sapphic” (see above) both come from the Ancient Greek poetess Sappho, who was born on the isle of Lesbos and wrote about the appeal of young women. There’s some debate among scholars about whether she was gay or just bi.

LICK & LEARN

Everything you need to know about lusty lesbians!

WE ALL appreciate romantic shots of two pretty ladies kissing on a bridge at sunset …or FISTING EACH OTHER'S BUNGHOLES in a porno. But how much do we really understand about the mysterious world of LESBIANISM? By the time you finish this painstakingly researched story – we spent literally minutes on Wikipedia and Pornhub – we GUARANTEE you'll be much better informed than you were before. You'll also be sporting a RAGING TROUSER TROMBONE in need of a polish, and a weird hankering to listen to the INDIGO GIRLS (we recommend their second album).

Popular sex acts in the lesbian community – at least according to the, ahem...instructional videos we've seen – include scissoring. This involves two chicky chums interlocking legs and rubbing their vulvas together to orgasm.

Current beaut celebrity dykes include chat-show host Ellen DeGeneres, *X-Men* actress Ellen Page, UFC women's bantamweight champ Amanda Nunes, Aussie model/TV star Ruby Rose and country crooner kd lang.

LICK
& LEARN

According to a 2015 year-in-review report published by website Pornhub, the No. 1 search term among ALL of their vistors was “lesbian”. Given that they estimate 24% of their traffic to be female, that shows how fascinated blokes are by vadge-diving babes.

Some examples of lesbiotic slang are “gold star” (a chick who’s never been with a dude), “pillow queen” (lass who receives pleasure but won’t give it), “hold a bowling ball” (to rub the thumb and forefinger on the clit and anus) and “funch” (a lunchtime quickie).

WIN!

$20 LETTERS $50 PICTURES

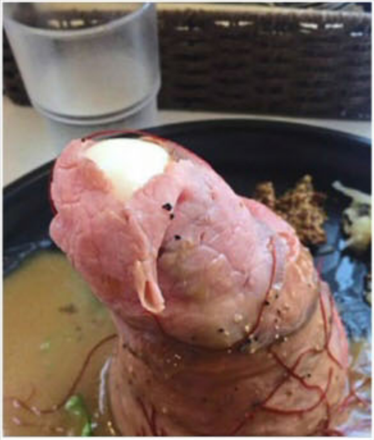
MALE BAIT

HILARY SUPPORTER

GUYS, thank you for bringing us HOT LITTLE BRUNETTE Hilary (*The Harem*, Oct. 24). I'm single by choice at the moment after a bad break-up, but I'd be with her TOMORROW if given the chance. Only problem is you'd have to carry a cricket bat to keep the fellas away. What a spunk!

TH, Vic

Sorry to hear about the nasty split, TH. Hopefully you'll be back in the game soon. You're probably right about dating a stunna like Hilary – we reckon it'd be worth any trouble, though.



THINGS THAT LOOK LIKE GENITALS

"DON'T panic – it's only rare roast beef with a soft-boiled egg inside," writes **Dez via email**. "It sure looks like a SPURTING COCK, but. Blame Japanese chain Volcano Kitchen, who wanted their beef soup bowl to include a volcano." Thanks, Dez…er, we think.

Send your letters and pics to: The Keeper, c/- *Animal House*, *People* magazine, GPO Box 4088, Sydney, NSW 2001. Or email us at people@bauer-media.com.au (with *Animal House* in the subject line).

TRAFFIC COP

LEFT IS RIGHT!

WHY the fuck don't all Aussies keep left on footpaths, staircases, etc.? We drive on the left, so it should be the same for walking in public. I can't count the number of times when I – and most of my fellow commuters – have been hurrying down the left side of the station stairs to a waiting train when some dickhead has come barging up through the middle of us. Bloody well KEEP LEFT!

AG, NSW

Gives us the shits, too, mate. And don't get us started on those groups who think it's OK to walk SLOWLY, four or five abreast, through the CBD at lunchtime…

RAIN MAN

CALL ME ZONDAY

WHEN I worked in an office for a while, we used to get on the computer on Friday arvos and play weird music videos on YouTube. There was this song called *Chocolate Rain*, and I could never decide if it was genius or garbage. Whatever happened to the guy who sang it?

Rhi, SA

That guy is American Tay Zonday (right) and he's continued making music. Check out his baritone cover of girlie pop hit Call Me Maybe, *also on YouTube. As with* Chocolate Rain, *you won't know whether to love it or hate it, Rhi. So you'll just play it again like we did.*

CINEMA SKIN

THE GIRL ON THE GRASS

THE missus and I saw that movie *The Girl On The Train* last weekend. She thought it was a bit slow and a bit silly. I liked it – ESPECIALLY the main actress, Emily Blunt. I couldn't help wondering if she'd done nudity in the past. Who better to ask than the *People* people?

Marco, NSW

You came to the right place, Marco! Lovely Emily has only bared boob on screen a few times. The clearest flash – and therefore our favourite – was in 2004 LESBO ROMANCE *My Summer Of Love*. Enjoy.

LOONY 'TOON

BAP'N'BUTT BATTLE

DO YOU fellas watch anime? There's a brand-new series called *Keijo!!!!!!!!* that might be of interest. It's about a world where people go mad for a sport (keijo) in which women try to push each other off platforms into water USING ONLY THEIR BREASTS AND BUTTS. I've seen the first ep and it was kinda fun. Keep up the good work.

GG via email

Sounds like classic Australian game show It's A Knockout*, GG. Nah, who are we kidding? It was pervy, but not THAT pervy. God bless those crazy Japanese cartoon creators!*

Josie got caught red-handed and in the raw!

POSING naked was a very exciting experience for **Josie**. But being HOT AND BOTHERED in a bed is nothing new for her. Her most memorable root happened when she was under the sheets in her bedroom with a young hunk…when her mum walked in and CAUGHT them. But was she embarrassed? Nah, the Sydney lifeguard told her to PISS OFF and got back into it! ▸

BOLERO SPORT
BOLE

SO YOUR mum's intrusion didn't stop you getting your root on, Josie?
"Only briefly, then I thought, 'Fuck it!' So we kept on fucking till I ORGASMED, then I went out and apologised to Mum for being rude. It's all about priorities, right?"

Can't argue with that. Back to this ace shoot, mate. Did you enjoy posing for us?
"Yeah, it was heaps fun. I wouldn't have been so horny if I WASN'T enjoying myself. I like nude modelling almost as much as I enjoy being a lifeguard."

That sounds like a cool job. Were you inspired to get into it by *Baywatch*?
"Actually, I'm not a fan of the show, although some guys have compared me to Pamela Anderson…when she was much younger, obviously. I'm flattered by the comparison."

Ever dated someone you've saved from drowning, mate?
"I rescued a German chick from a rip one afternoon, dragged her onto the beach and gave her mouth-to-mouth to revive her. She was so grateful afterwards she wanted to take me back to her backpacker hostel for a THANKYOU FUCK. I had to tell her I don't swing that way. Shame, 'cos she was cute."

'I CAN HAVE MULTIPLE ORGASMS FROM ORAL'

What's the best thing about the beach lifestyle, ya think?
"Sun, surf, SUCKING COCK ON THE BEACH …I love it all!"

So we assume head jobs are your fave sexual activity?
"Actually, I prefer receiving oral – I have a VERY SENSITIVE CLIT, so I can cum very quickly. If a guy stays down there for any length of time, I'll have multiple orgasms."

But you always repay him afterwards?
"Absolutely – fair's fair. Besides, I love the taste of spoof and I ALWAYS swallow – it's my little reward for a job well done!"

One last *Baywatch* question. Would you blow David Hasselhoff?
"Nah, but I'd probably go The Rock, who's in the *Baywatch* film remake."

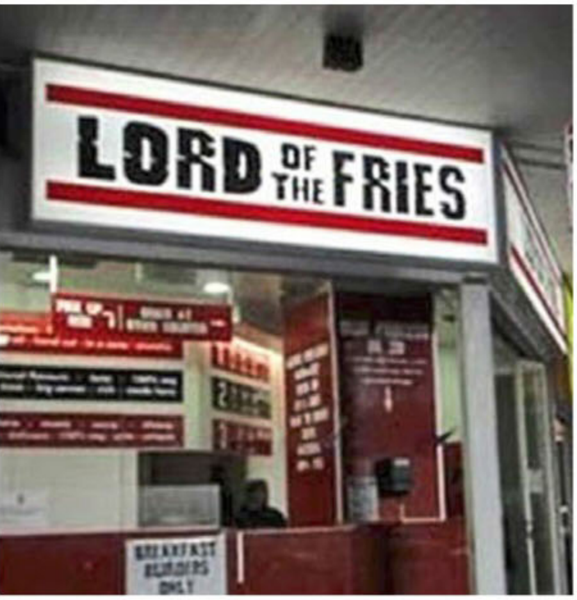
FUNNY BUSINESS

Bad puns can be good for the bottom line

Personally, I hate saucy puns



LORD OF THE FRIES
BREAKFAST BURGERS ONLY

A BEAUT name on the front of a store can make or break a biz. For example, if you see a used car dealer called Dodgy Motors you'll run a mile.

And owner Dick Dodgy will never understand why.

But a fish'n'chip shop called The Codfather? That's fucking gold, man. You'll have punters lined up around the corner ordering a piece of flake while chortling to each other about the store's witty name.

For the brainbox owners of The Codfather – and the rest of the businesses on this spread – having a CENTS of humour can lead to making loads of DOLLARS.

Twisted telly

A HILLSONG preacher checked into a hotel on the Gold Coast. At the front desk, he said curtly to the receptionist, "I hope the porn channel is disabled."

An old woman standing in the line behind him turned to her husband and whispered, "Dear God! It's unbelievable what some people are into."

Annie, Vic

Original sin

TWO blokes were talking in a pub. One said, "I don't understand it. I'm Church Of England and you're Catholic. I'm allowed to practise birth control but you, as a Catholic, are not. Yet I have eight kids and you have none. How come?"

The Catholic said, "It's because I only do it during the safe period."

"Really? When's that?"

"When you're out at work."

Seeing red

A SPACESHIP crashed on Earth, but two green, glowing aliens survived the impact and staggered off to find a way to repair their damaged craft.

They walked for miles through forests and fields before they finally reached the outskirts of Sydney.

Stopping at an intersection, they began to shake and moan at the sight of a green traffic light. Suddenly, the light turned from green to amber, then to red.

One of the aliens turned to the other and said disgustedly, "Let's get out of here. If there's one thing I hate, it's a woman who's a tease."

Doctor strange

A DOCTOR received a call from a concerned female patient who said, "I'm diabetic and I'm afraid I've had too much sugar today."

"Are you light-headed?" the GP asked.

"No," she replied. "I'm a brunette."

"Hmmmmmmmm…" mused the doctor. "Any other symptoms?"

"Yes," replied the patient. "I keep having visions of the future."

"When did these start?"

"Next Thursday."

Word play

"TOMORROW morning," begins the primary school teacher, "we'll be having an English lesson and the word we'll be studying is 'probably'. When you go home tonight I want you to think of a sentence that shows you understand the meaning of this word."

The next morning, the teacher asks Jack to use "probably" in a sentence.

"Last night, my father came into my bedroom just as I was going to bed," the student says. "He was PROBABLY going to tell me a story."

"Very good, Jack!" exclaims the teacher. "Now, it's your turn, Bridget."

"Last night, my mother entered the bathroom while I was having my bath," the student says. "She was PROBABLY going to dry me with a towel."

"That's excellent, Bridget! OK, let's hear from you, Lil' Johnny."

He stands and says, "Yesterday, my older sister was getting lessons at home from her piano teacher. Suddenly, the music stopped, so I quietly snuck into the room. The piano teacher had his trousers round his ankles and my sister had her dress pulled up above her waist. They were PROBABLY going to shit in the piano."

Finder's fee

A BALDING man went into a fancy hairdressing salon and asked how much it would be for a straight haircut.

The hairdresser sneered, "That will be $125, sir."

"Did you say $125?" spluttered the man. "That's crazy! I've hardly got any hair. How can it be that expensive?"

The hairdresser explained, "It's $25 for the actual cut and $100 for the search fee."

But they found their plans constantly being sabotaged by neighbouring holiday-makers, who kept coming round to ask for milk and sugar, or wanting to stand around and natter for hours.

Finally, the couple got so fed up with the interruptions that they pinned a notice to the door of the caravan. Immediately, their fellow campers left them alone.

It read, "Insurance agents inside. Ask about our life insurance package."

Hell's belle

A GRAND funeral is ordered for a woman who henpecked her husband, drove her kids batty with her nagging, fought with the neighbours on a daily basis and even sent the pet Siamese cat queer with her bizarre temper tantrums.

It's a grey, overcast day when the casket is lowered into the grave.

Suddenly, a violent thunderstorm begins and the pastor's final words are drowned out by terrific thunder accompanying the blinding lightning flashes.

This goes on for some time and the husband eventually mutters, "Well, at least we know the bitch got there alright."

NIGHT OF THE LIVING DEB

Bounty Films, rated MA, out now, RRP: $15.95 (DVD)

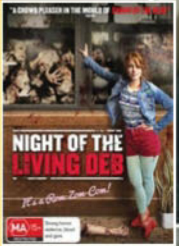
What's the guts? When the world goes to shit – well, Portland, Maine to be exact – and zombies rise from the grave, quirky Deb isn't particularly worried. She's more concerned about hanging onto Ryan, a drunken one-night stand who just might be the love of her life…if they don't get their brains eaten first by the hungry undead.

Anything else? The trouble is Ryan comes from a snooty rich family, who don't take kindly to Deb's oddball ways, especially when their escape plan involves a helicopter with a limited number of seats. Not only that, but Ryan's dad (played by the very entertaining Ray *Twin Peaks* Wise) has a dirty secret: it's the chemical waste pumped out by his company that caused the undead plague. And when Deb finds out, he's determined to silence her. Add to this scenario Ryan's jealous ex-girlfriend – suddenly, surviving the zombie holocaust could be the least of Deb's problems.

Final word: Rom-zom-com is the bomb!

WIN!

THE guts-munching guys'n'ghouls at Bounty Films have sent us FIVE DVDs for this giveaway. To enter, **just tell us IN ONE SENTENCE the weirdest meat you've eaten**. The five most mouth-watering answers will win a DVD. Mark entries "*Night Of The Living Deb* comp".



Gridlocked

Eagle Entertainment, rated MA, out Nov. 9, RRP: $24.95 (DVD/Blu-ray)

What's the guts? Ex-SWAT leader David Hendrix has been handed a shit assignment, babysitting spoilt, pampered celebrity Brody Walker, who has to ride with the cops as part of his probation. It's a case of hate at first sight. But when the police training facility where Hendrix is based comes under attack by a gang of mercs, it's up to this oddball duo to rescue the survivors and take down the bad guys. Unless they kill each other first.

GRIDLOCKED

Anything else? This interesting take on the cop buddy film features an interesting cast including Aussie actor Dominic Purcell, former soccer hard man Vinnie Jones, ex-WWE wrestler Trish Stratus and *Lethal Weapon* star Danny Glover.

Final word: 'Locked and loaded.

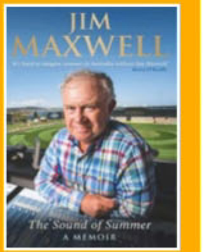
WIN!

THERE are FIVE copies of *Gridlocked* up for grabs, courtesy of our friends at Eagle. For a chance to win, **just tell us IN ONE SENTENCE which celeb you'd like to spend the night with (platonically, that is)**. The five most interesting answers will get a DVD. Mark your entries "*Gridlocked* comp".

The Sound Of Summer

By Jim Maxwell

Allen & Unwin, out now, RRP: $39.99



What's the guts? The cricket season is upon us and what's another summer of willow smacking leather if it isn't accompanied by the warm, comforting voice of Jim Maxwell on ABC Radio? The legend's been behind the mike since 1973 and has covered more than 285 Test matches.

Anything else? In his brilliant memoir, Jim discusses his life and remarkable 43-year commentating career, as well as darker moments like the stroke he suffered while commentating at the Rio Olympics this year. Written with warmth, humour and passion, his book proves why many consider Jim the voice of Aussie cricket.

Final word: 43 not out!

WIN!

WE'RE giving away THREE copies, thanks to our mates at Allen & Unwin. To get yours, **just tell us IN ONE SENTENCE your fave cricket memory**. The three most nostalgic answers will get a book. Mark your entries "*The Sound Of Summer* comp".

Black Sabbath:
The Ultimate Collection

Warner Music Australia, out now, RRP: $19.99

What's the guts? They are the godfathers of heavy metal and, long before Ozzy Osbourne became a shambling joke on a reality TV show, Black Sabbath were making kids rock out while causing their uptight parents to FREAK OUT. For the past 45 years, the authorities have worried that dark tunes like *Iron Man, Sabbath Bloody Sabbath, War Pigs* and *Am I Going Insane* would drive teens to acts of murder and mayhem. They couldn't have been more wrong – and *Black Sabbath: The Ultimate Collection* is a testament to the legendary hard rock band's greatness. Hey, 75 million records sold and being inducted into the Rock And Roll Hall Of Fame proves it.

Anything else? *Rolling Stone* magazine said Sabbath's *Paranoid* album "changed music forever" while *Time* magazine called it "the birthplace of heavy metal". *Rolling Stone* also described Black Sabbath as "The Beatles of heavy metal". Listen to the 31 tracks on this collection and you'll agree with them.

Final word: Once you go Black, you never go back! RAWWWWK!!!

BLACK SABBATH
THE ULTIMATE COLLECTION

WIN!

THE heavy metal heroes at Warner Music Australia have sent us FIVE CDs for this comp. To enter, **just tell us IN ONE SENTENCE the best Sabbath tune you've heard**. The five blackest answers will score a CD. Mark your entries "*Black Sabbath* comp".

FEMME FACTS

KIKA may have “sea legs” but she can get SEASICK if the boat rocks too much: “One time, I was going down on a boyfriend in a tinny and it nearly tipped over from his EXCITED THRUSTING into my mouth. I felt a bit crook, but I felt fine after he SPOOFED DOWN MY THROAT. It was better than an anti-nausea pill.”

LOVE cruise

Kika knows exactly what floats her boat

THERE'S nothing **Kika** loves more than taking a leisurely boat trip on the river on a lazy summer's day with a big strong man in tow. Take in the beautiful scenery, enjoy a pleasant picnic lunch on a deserted riverbank… then cop a CREAMY LOAD OF JISM in her pussy after a lengthy bout of DOGGY-STYLE SEX! Perfect! ▸

THE HAREM

KIKA | 24 | ODESSA, UKRAINE

ARE you nautical by nature, Kika?
“My granddad was a merchant seaman, so I guess it’s in the blood a little. I certainly enjoy being on the water, whether it’s yachting in Sydney Harbour, catching a ferry to work or hopping in a tinny for an outback river adventure.”

Tinnies are heaps fun.
“They are, aren’t they? I first rode in one in Mildura on the River Murray. I was up there last summer picking oranges and the weather was crazy hot. On the days we weren’t working, me and my boyfriend would take his tinny along the river and into some of the side creeks.”

Sounds romantic.
“Yeah – we’d buzz along till we found a quiet riverbank, pull in, pop down a picnic blanket and enjoy a yummy packed lunch.”

And after that?
“We’d have a quiet snooze, go for a dip to cool down, then get all sweaty again by fucking each other’s brains out.”

What was your preferred position for love-making?
“Doggy-style always hit my G-spot nicely – I came best that way. My record with him was THREE in one session.”

Where did your guy deposit his baby batter?
“I like cum anywhere, but I preferred creampies ’cos we were dating. It was also cool feeling it drip out afterwards.”

Do you ever fantasise about being a pirate, buddy?
“For sure – I even have a sexy pirate costume that I wear sometimes for my boyfriend, so he can swash my buckle.”

We assume that’s something rude in pirate lingo.

'I LIKE MAN-JUICE ANYWHERE, BUT CREAMPIES ARE COOL'

MILE BI CLUB

I DON'T know why but flying makes me horny. I've lost count of the number of times I've rubbed my pussy raw under the blanket and left VAGINA JUICE smeared everywhere, but I've NEVER had anyone help me out. Until recently.

I was on a near-empty red-eye flight from Singapore to Brisbane and had a seat in an empty row near the back of the economy section.

Three hours in and, with everyone else on the plane asleep, I was getting right into it. I circled my clitoris while pretending to watch an episode of *Arrested Development* and fantasising about Portia de Rossi.

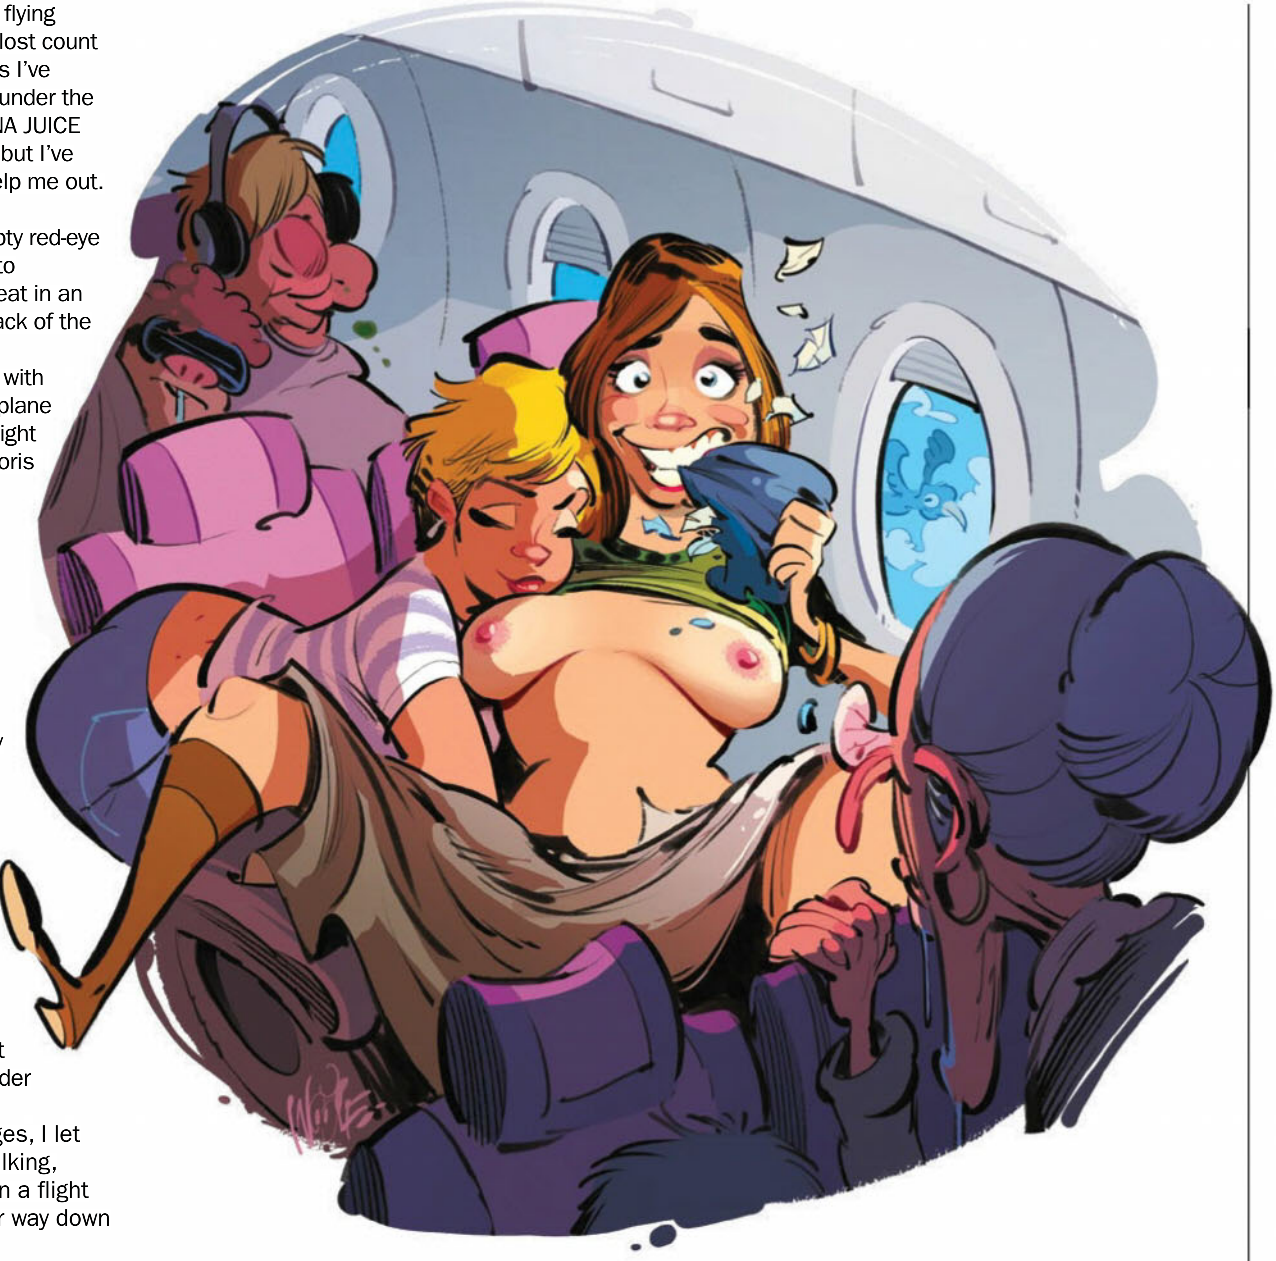
I opened my eyes momentarily to see a cute chick sitting in the row across from me – she was lustfully watching my every subtle move.

"Hey," I whispered playfully, "wanna come over here and GIVE ME A HAND?"

Without saying a word, the short-haired blonde scooted next to me.

I swiftly took her left hand and guided it under the blanket.

Like the Yellow Pages, I let her fingers do the walking, while I kept my eye on a flight attendant coming our way down the aisle.



Her index finger was deep inside my pussy and making me see stars.

I pulled my blanket over my new friend's lap, then worked my right hand down her pants.

Once the stewardess had passed us, I kissed Blondie and sighed, "This is too much."

> 'HER FINGER WAS DEEP IN MY PUSSY'

I removed my damp knickers and turned my arse hard right in her direction. She quietly slid down and expertly licked me out till I came REALLY HARD.

I bit down on my cushion to stop from WHIMPERING as an intense orgasm swept over me for close to 20 seconds.

I regained my composure, while my fuck-buddy hopped back on the seat.

Her lips were coated with MY PUSSY JUICE as she kissed me and grinned, "I'm Andrea."

I smiled and said, "Nice to meet you, Andrea."

BOWLED OVER

BAREFOOT lawn bowls is one of my favourite things to do on hot Sunday arvos. Not only can you get pissed in the sun, but it's a good way to pick up on the sly, too!

I was getting my drink on last month and noticed a bunch of gals on a hens' night on the green beside us.

As usual, I pick off the strays and found myself bumming smokes from Cassie. She had MASSIVE TITS – the kind you hide your house keys in – and I could see my face between them before nightfall.

When everyone was ready to go out, I suggested we ditch 'em and head to mine.

Being an up-for-anything chick, she came along and I soon had Cassie on her knees in my shower.

It was incredibly cool as water splashed on her face and I played with her boobies while she slobbered on my WOMB-BROOM.

'I ATE HER OUT BEFORE WE ROOTED ON MY BED'

I love a hairy pussy, so we swapped over and I ate her out for a bit before we dried off and rooted each other silly on my bed.

The daytime pick-up is MASSIVELY underrated.

While all my mates were necking beers, I was home NECKING SMOO JUICE, then slamming Cassie's hot cunt like a BLOODY CHAMPION!

LOVE ISLAND

WHEN I was a young bloke, I got the occasional modelling gig. It's hard to believe now, but back then I had the surfie look that Aussie brands wanted.

One time, I scored the JOB OF A LIFETIME: posing on a private island with a dozen chicks and no other dudes!

The photo session took the better part of a day, which meant we got breaks for food and to explore the island.

I was as randy as A DOG WITH TWO DICKS back then and did my best to get into the pants of anyone with a split.

In the end, I managed to shag THREE OF 'EM! I'm serious. I've never been as successful before or since.

Long-haired, green-eyed Elle had been giving me signals even before we got on the boat to the island.

'WE BANGED EACH OTHER TO A MUTUAL ORGASM'

We quickly did the dirty deed inside a beach hut while everyone else was on the set. I didn't want to come inside the brunette, so I pulled out at the last second and JIZZED IN A PROP HANDBAG.

Dusky Karli started feeling me up under the water while we were swimming during our lunch break. I think she was a friend of Elle's and was operating on inside info. I did her FROM BEHIND while squeezing her small melons that sported big nipples like BURNT CORKS.

Just after sunset, I nearly missed the boat home 'cos I was balls-deep in skinny blonde Heather against a palm tree. She was TIGHT AS A CLAM and, even though we were sunburnt to hell, we banged each other to an incredible mutual orgasm.

If I could live that day over and over again for the rest of my life I would, 'cos Lord knows I don't see a fraction of that action THESE DAYS!

PATTING THE PUSSY

I'VE always been straight, but I experienced SWEET VAGINA for the first time when my flatmate recently hit on me.

She was a lovely chick – if a bit geeky, kinda like Velma from *Scooby-Doo* – and I sensed she might've had a thing for the ladies after seeing the company she kept.

Bek was consoling me one night after I got let down by a bloke I thought I loved, but who turned out to be a PRICK.

We were cosied up on the couch, drinking white wine and she kept stroking my hair while saying comforting words.

"It's cool," Bek said, placing her hand on my thigh. "There are tons of better people out there."

Suddenly, she readjusted the glasses on her face, stroked my leg and I felt my heart race. Without thinking I parted my legs and let her FINGER-BANG me.

"You're wetter than Aquaman," Bek grinned, before planting her face on my pussy.

I came the second her tongue touched my clit. I reached for her large boozzies and fondled them while she lapped at my cunny and built me up for another huge orgasm mere minutes later.

'I REACHED FOR BEK'S LARGE BOOZZIES'

Bek made me forget all about fuckface Fred – yeah, that was his name! – and we RUTTED LIKE WILD ANIMALS throughout the night and the following morning. We're sorta dating at present, but Bek understands that I'll eventually go back to the cock. Maybe.

TWERK DAT ASS!

HOW do you use your behind to make coin, Kelsi?
"I love making videos of me doing ANAL SEX-PLAY live on my free webcam. Fans can join me and chat while I take it DEEP UP MY ANUS for them. They also tell me what to do and how hard to cum."

Sounds delightful. You have a rump-bumping reputation, don't you?
"I'm told I have one of the nicest asses in the entire industry. It helps that I'm a former gymnast, so I can bend into a bunch of acrobatic positions while BOUNCING MY BOOTY on a hard dick."

We bet you'd put Miley Cyrus's twerking to shame.
"Ha! You should see me twerk my THICK JUICY ASS while I'm doing the splits. It's a thing of beauty."
